# WELCOME TO

# West Thames College

# We are a successful and vibrant Further and Higher Education college based in West London.

We are delighted that you are interested in studying a course with us. We have a range of vocational courses, including apprenticeships and T-Levels to give you the skills and experience you need to fulfil your goals.

Tracy Aust, CEO & Principal

- Our vocational courses are taught by industry professionals, who can share industry insights with you and links to contacts who work in the sector
- Our strong links with employers provide access to industry leaders and excellent work experience opportunities. We are proud to work with a range of employers including British Airways, Sky, GSK, and NHS.
- Our campuses include a range of state-of-the-art facilities and workshops, that were described as 'Outstanding' by Ofsted (2021), that enhance the student experience while equipping our students with the skills they need for their progression.

Above all our friendly and committed staff will give you all the support and guidance you need to succeed. The achievement rates of our students are high - we are the Number 1 College in London - which we are incredibly proud of. Our students go straight into work, or they progress into some of the top universities in the country.

Your journey to fulfilling your dreams is just beginning and we look forward to welcoming you to West Thames College.

Tracy Aust  
CEO & Principal

# ABOUT US

**West Thames College has two campuses**  
- our main campus in Isleworth and our Skills+Logistics Centre in nearby Feltham.

See our excellent facilities and meet our course leaders on an Open Day.

## Main Campus / ISLEWORTH

Students benefit from a range of facilities including professional salons, theatre, dance studios, music recording & TV studios, sports facilities and much more. Our extensive range of courses cover pre-entry to higher education, offering a range of opportunities for progression.

### Isleworth OPEN DAYS

For all courses except construction, engineering and motor vehicle.

#### 2023

Wednesday 4 October,  
5-7pm

Saturday 11 November,  
10am-1pm

#### 2024

Wednesday 31 January,  
5-7pm

Saturday 9 March,  
10am-1pm

Wednesday 19 June,  
5-7pm

Register here:

## Skills+Logistics Centre / FELTHAM

This centre includes multiple workshops and workspaces that create realistic work environments, allowing students to develop the specific skills required within the industry. You will be taught by real industry professionals, who will pass on their substantial skills and knowledge.

### Feltham OPEN DAYS

For construction, engineering, Logistics and motor vehicle courses only.

**2023**

Tuesday 10 October,  
5-7pm

**2024**

Tuesday 6 February,  
5-7pm  
Tuesday 25 June,  
5-7pm

**Register here:**

# PROGRAMME OF STUDY

At West Thames College, you choose one core vocational subject.

Alongside this, your programme of study will include:

## EMPLOYABILITY AND WORK EXPERIENCE

Such as teamwork and problem solving to get you job-ready

## ENGLISH AND/OR MATHS

Depending on your GCSE results

## INDEPENDENT STUDY

Independent learning to improve digital and study skills, collaborate with others and develop positive autonomous learning habits

## WORK WITH LEADING EMPLOYERS

West Thames College prides itself on its strong links with employers.

We work with a wide range of companies to provide excellent work experience opportunities as well as providing events such as Aspire. Aspire brings employers on site to run a series of masterclasses and workshops, further developing our students for their next step.

# T-LEVELS

Qualifications with work placements to take you to the next level.

**T-LEVELS**  
THE NEXT LEVEL QUALIFICATION

## What are T-Levels?

### T-Levels offer:

- An alternative to A levels, apprenticeships and other 16-19 courses
- A qualification equivalent to three A Levels
- Routes for students into skilled employment, higher study or apprenticeships
- An in-depth industry placement that lasts at least 45 days. Students get valuable experience in the workplace; employers get early sight of the new talent in their industry.

## How does it work?

You will spend 80% of the course in your learning environment, gaining the skills that employers need. The other 20% is a meaningful industry placement, where you put your learnt skills into action.

## What subjects do West Thames College offer?

We currently offer T-Levels in the following areas:

- Digital Production & Development
- Health

# Digital Production, Design & Development – Level 3

- 2 year course
- 9 weeks minimum working with an employer on an industry placement

## Potential careers:

- Web Developer
- Web Designer
- Software Developer
- Computer Games Tester
- Computer Games Developer
- E-learning Developer
- User Experience (UX) Designer.

## What you'll learn:

You will develop an understanding of:

- how digital technologies impact business
- the ethical and moral implications of digital technology
- using data in software design
- using digital technologies to analyse and solve problems
- digital environments, including physical, virtual and cloud environments
- emerging technical trends, such as Internet of Things (IoT), Artificial Intelligence (AI), Augmented Reality (AR), Blockchain, 3D printing
- legal and regulatory obligations relating to digital technologies
- the privacy and confidentiality of personal data
- the technical, physical and human aspects of internet security
- planning digital projects
- testing software, hardware and data
- digital tools for project management and collaboration.

# Health – Level 3

- 2 year course
- 9 weeks minimum working with an employer on an industry placement

## Potential careers:

- Ambulance Care Assistant
- Emergency Care Assistant
- Healthcare Assistant
- Care Worker
- Palliative Care Assistant
- Dental Nurse.

## What you'll learn:

You will develop a general understanding of health and science:

- working within the health and science sector
- health, safety and environmental regulations
- managing information and data
- principles of good scientific and clinical practice
- core science concepts including the structure of cells, tissues and large molecules, genetics, microbiology and immunology.

You will also learn about topics specific to health, including:

- understanding the healthcare sector
- providing person-centred care
- supporting health and wellbeing
- further knowledge of both human anatomy and physiology and of diseases and disorders
- infection prevention and control.

*\* Subject to course approval.*

# APPRENTICESHIPS

## EARN AS YOU LEARN

If you want to step straight into the world of work, then choose an apprenticeship.

It's the ideal way to get hands-on experience whilst studying for a qualification.

- An apprenticeship typically involves spending four days a week in a work environment gaining practical skills and one day a week studying at the College.

### 6 steps to apprenticeship success

- 1** Decide which apprenticeship area you are interested in.
- 2** Register on the National Apprenticeship website [www.gov.uk/apply-apprenticeship](http://www.gov.uk/apply-apprenticeship) to see all the apprenticeship vacancies across the country.
- 3** Prepare your application – make sure your CV is up to date.
- 4** Apply for positions – go to the apprenticeship tab on our website or visit the National Apprenticeship Service.
- 5** Attend an interview if your application is successful.
- 6** **Get the job!** Start work and train at the same time!

Find out more: [west-thames.ac.uk/apprenticeships](http://west-thames.ac.uk/apprenticeships)

# FEES AND FINANCIAL ASSISTANCE

## Courses are free for 16-18 year olds

There are no tuition or exam fees for UK students on further education courses who start their course when they are under 19 years. However, students taking re-sits may be required to pay the exam registration fee.

## UK leaving the EU

16-18 year old EU students used to have the same status as UK students before the UK's withdrawal. However, there will be certain changes to fee structures and immigration status. Please therefore check with the college to clarify your situation.

## DBS Check

For Health and Social Care and Childcare courses, you will need to pay for a Disclosure and Barring Service (DBS) check before you are accepted onto the course.

## Materials

On some courses there will be a charge for specialist kits and materials. Please ask for details at enrolment.

## Financial Support

We may be able to offer support to help pay for course-related expenses if students can demonstrate financial hardship. Ask for our Student Guide to Financial Support, or talk to a member of staff at the course interview.

## Oyster cards

Full-time students and apprentices living in London may be eligible for free or discounted travel. For further information visit [tfl.gov.uk](http://tfl.gov.uk).

## Free College Meals

You may be entitled to free college meals if you or your family are on a low income. Please ask for details at enrolment.

## College Nursery

Our college nursery offers full and part-time places for children aged 3 months to 5 years, providing a safe and stimulating learning environment for children while their parents study. Funding and subsidies may be available, but places are limited. For an application form and more information please contact the nursery on 020 8326 2318.

Find out more: [west-thames.ac.uk/financial-support](http://west-thames.ac.uk/financial-support)

See our website [west-thames.ac.uk](http://west-thames.ac.uk) or call our Information Centre on **020 8326 2000** for further information on fees and financial assistance.

# OUR ALUMNI

We are proud of our student success in the College, but also when they leave us.

Have a look at some of our Alumni and how their time at West Thames College helped them to embark on rewarding careers.

Use the **QR codes** to directly open the videos or you can find links to them on the News pages of our website: [west-thames.ac.uk/news](http://west-thames.ac.uk/news).

## Nadeem Chattha

Nadeem studied ESOL at the college and progressed onto other courses, finally leaving to study for a degree. He now works as a Senior Systems IT Engineer at the College.

## Renee Mudhar

Renee studied Travel & Tourism at the college and went on to do an apprenticeship with the London Borough of Hounslow. She found the apprenticeship really valuable to help her progress to a career as a lawyer.

## Francesca Sherwood

Francesca studied Beauty Therapy at the college and went on to open her own salon, True Beauty Salon & Medispa.

She has used the skills she learned on her course to establish her award-winning business.

## Sabina Enu-Kwesi

After studying Manufacturing at the college, Sabina started an apprenticeship with the Otis Elevator Company, and then gaining a full-time job at the company. She is continuing her education with a degree in Business Psychology at Birkbeck, University of London.

# YOUR COLLEGE YOUR VOICE

## JOIN STUDENT VOICE

There are several ways to get more involved with the college:

### Student Ambassadors

Student Ambassadors help promote the college to prospective students and their parents - assisting at open events, award ceremonies, parents' evenings and other such occasions.

### Student Governors

Student governors are elected by their peers to put the opinions of students to the college's governing body. They work with the other governors to improve education and teaching at West Thames.

### The Student Union

You will automatically become a member of the Student Union which promotes the interests and views of West Thames students. It is run by students for students so you can also be elected to a leadership position on the Student Union Executive Team.

### Course Representatives

Course Representatives give feedback from students on their course and work with curriculum managers to make improvements and help resolve any issues.

**By getting involved you can help make a real difference at  
West Thames College.**

# CAMPUS

# LIFE

## Life isn't just about learning.

West Thames College is a fun place to be, with plenty of activities and events throughout the year.

### SPORTS

Play football, badminton, netball, basketball, cricket, table tennis, volleyball, Zumba, boxing and much more in our sports hall and outdoor pitches. We take our sport seriously – our successful college teams play in leagues and regularly win trophies.

### STUDENT COMMON ROOM

Watch music, sport or films on the plasma TV screens, play pool, table tennis, table football and other games, or just meet with friends in our common room and café areas.

## GYM

Our gym is equipped with treadmills, cycling and rowing machines, cross trainers, resistance machines and weights to keep you fit and toned.

## HAIR AND BEAUTY SALON

Get thoroughly pampered with a beauty treatment or new hairstyle and buy professional products for a fraction of the normal cost. For bookings and latest offers please call the Salon on 020 8326 2201.

## STUDENT ACTIVITIES

Get involved in a variety of clubs and societies, to build on your existing interests or to explore new ones. You can take part in tournaments, talent shows, trips, competitions, fundraising activities and cultural awareness events, such as Black History Month and Mental Health Awareness Day.

# HELP AND SUPPORT

# You will have access to a range of support services throughout your time at the college.

We also have an excellent reputation for the additional support we give to our students.

## Student Learning Advisers

Tutors who you will meet regularly to monitor your progress, attendance and assist with any issues. They can also help you access specialist support services.

## Careers Service

Our team of independent careers advisers will help you make the right decision for your future and identify the skills you need to succeed.

## Learning Support

Specialist teachers provide support outside the classroom to help improve literacy and numeracy, study skills and tackle assignments.

We believe all students should have fair and equal access to their chosen learning programme and all aspects of college life. If you have a disability or learning difficulties, we will make reasonable adjustments to ensure that college facilities are accessible and that all your learning and support needs are met.

## Employability Advisers

These advisers will help you prepare for the world of work and equip you with the skills employers need.

## Counselling

Talk through problems or stressful situations in complete confidence with a professional counsellor.

## Learning Resources Centre

A range of services to support your studies including books/ebooks, computers, study spaces, online learning resources and helpful staff.

## Welfare and Support

Contact our team for practical financial advice and help with bursaries and entitlements.

# APPLY IN THREE STEPS

Apply online at  
[west-thames.ac.uk](http://west-thames.ac.uk)

**1**

Visit our website and apply for the course you are interested in

**2**

We will then contact you to invite you to the College for an interview, including bringing a portfolio or taking part in an audition

**3**

If successful, you will receive an offer, depending on your entry requirements

**4**

You will then be invited to come in for enrolment, which will start in August

## DISABILITY SUPPORT

If you have a physical, mental health or sensory impairment and/or learning disability, please let us know when you apply so that we can make arrangements for you.

# USING THIS GUIDE

Courses are listed by Level, with potential West Thames College course progression, including our Higher Education offer.

## LEVEL 1

**Digital Arts,**  
1 year

## LEVEL 2

**Digital Arts**  
(Introduction to Animation  
and Games),  
1 year

## LEVEL 3

**Creative and Digital Design,**  
2 years  
**Animation and Games Design,**  
2 years

Each course area has examples  
of career/ job opportunities and  
typical salaries.

## Careers/salary EXPECTATIONS

**Business and financial project management professionals**  
Up to £52,000

**Management consultants and business analysts**  
Up to £48,400

# BUSINESS

Studying a business course at college can be the first step towards a career in areas such as sales, marketing and public relations (PR), accounting, management or human resources (HR).

Sales careers include visual merchandising and working in a buying/purchasing department. Marketing and PR involves promoting the products and the positive image of the company itself. Management and HR help to keep an organisation running efficiently, including hiring and retaining the right people.

## About our Business courses

Our courses enable you to explore these roles, learn about the business environment, and decide where your own interests lie.

You will engage with businesses such as Coca-Cola and Goldman Sachs and go on industry visits to the Houses of Parliament, Heathrow Airport or Sky.

## Careers/salary EXPECTATIONS

### **Business project manager**

Up to £75,000

### **Business development manager**

Up to £64,000

### **Financial adviser**

Up to £45,000

## Student SUCCESS

### **Paul Bromfield / Business**

After he finished his course, Paul moved into a career in Financial Services. His financial career has allowed him to work in the UK and overseas. His preference has always been leading colleagues in customer facing roles and at present he is the Head of Business Development at Barclays Bank.

# COMPUTING

## AND ICT

**From smartphones and Wi-Fi to hashtags and instant messaging, technology dramatically affects the way we communicate.**

If you're interested in understanding how digital information is spread, or solving problems with technology, then consider one of our courses in Computing and ICT.

### About our Computing and ICT courses

You will learn in specialist ICT suites, take part in work experience and visit local businesses. West Thames College is a certified Cisco Academy, giving you the chance to gain additional qualifications which are in high demand in the industry. You can get involved in live briefs and competitions, such as Worldskills UK. We have strong links with local businesses such as Sky and Cisco that offer WEX and apprenticeships.

### Careers/salary EXPECTATIONS

**Cyber intelligence officer**

Up to £50,000

**User Experience (UX) designer**

Up to £50,000

**IT Support Technician**

Up to £35,000

### Student SUCCESS

**David Hollands /  
ICT**

David achieved the highest ICT exam results in the whole country whilst studying at West Thames College, despite leaving school with no GCSEs. He gained a First Class Honours Degree in Computer Science at Royal Holloway University and is now a manager in Data Analytics at KPMG UK.

## Course progression at West Thames

Take an apprenticeship or progress to an apprenticeship course at a higher level.

### Entry requirements

**LEVEL 1** A successful interview. You will also need to complete an assessment for some courses.

**LEVEL 2** 2 GCSEs at grade D/3 or above. Level 1 functional skills English and maths.

**LEVEL 3** At least 4 GCSEs at grade A\*-C/9-4, a merit or distinction at Level 2 with functional skills in English and maths.

See our website [west-thames.ac.uk](http://west-thames.ac.uk) for specific course entry requirements.

# HEALTH, SOCIAL CARE AND CHILDCARE

**Working in health and social care or childcare is a great way to make a difference, by helping people individually or driving improvements in society.**

These careers are emotionally challenging but can also be highly rewarding. To thrive you must be able to build strong relationships with others, your colleagues, patients and service users.

## About our Health, Social Care and Childcare courses

Our courses have high success and progression rates and you will develop the knowledge and skills relevant to the Health and Social Care industry.

You will undertake work placements in health and care settings, such as residential homes, pharmacies, children's nurseries and care homes for people with disabilities so you can develop experience in the industry. Alternatively we have strong links with a number of universities if you wish to progress to a degree programme after your course.

## Careers/salary EXPECTATIONS

### **Social services managers and directors**

Up to £68,000

### **Counsellor**

Up to £47,000

### **Adult Nurse**

Starting at Band 5 £40,000

## Student SUCCESS

### **Beata Korabiowska / Health & Social Care**

After leaving the College, Beata worked at a Local Council as a Care Assistant. Once leaving this position, she took on many different public service roles and is now moving towards becoming an interpreter and a Polish translator.

# SCIENCE

**There are great careers available if you have an interest in science.**

You could work in pharmaceuticals, biotech or crop research, chemical development and manufacturing, food production and development, monitoring various aspects of the environment, veterinary medicine, or use forensic science in the field of archaeology.

## Careers/salary EXPECTATIONS

### **Pharmacologist**

Up to £50,000

### **Biochemist**

Up to £50,000

### **Laboratory technicians**

Starting at Band 5 £26,000

## About our Science courses

Our laboratories have specialist equipment including DNA analysis equipment and an advanced optical telescope, and we have links with local plant science industries.

You will attend workshops on topics such as radiography, physics and electricity. You will gain work experience, visit museums, universities and attend conferences, and take part in National Science Week.

## Student SUCCESS

### **Ahmad Dehghani / Applied Science**

Ahmad was named national winner for the Space Zone category in I'm a Scientist, Get Me Out of Here. He received a triple distinction in his BTEC at West Thames College. He then progressed to university to study Radiography at the University of Cumbria. He now works as a radiographer for the Hillingdon Hospitals NHS Foundation Trust.

See our website **west-thames.ac.uk** for specific course entry requirements.

# ART AND DESIGN

Careers in Art and Design can include areas such as prop design, web design, packaging design for the food and drink industry, or fine arts such as jewellery design, sculpture, painting and photography.

You can work on a freelance basis, as part of a design agency, or in the design department of a large company.

## About our Art and Design courses

Our courses are accredited by the University of the Arts London, one of the top universities in the world for art and design.

We have well-equipped specialist studios for photography, fine art, 3D design, fashion and graphics, and our teachers are practising designers with industry experience.

Students exhibit their work to the public at our annual Creative Arts Festival and progress to top universities and art schools such as Goldsmiths and Central St Martin's.

## Careers/salary EXPECTATIONS

### Arts administrator

Up to £30,000

### Graphic designer

Up to £35,000

### Model maker

Up to £31,000

## Student SUCCESS

### Anne-Claire Pickard / Art & Design

Anne-Claire Pickard completed a Foundation BTEC Degree in Art & Design and then completed a BA (Hons) Degree in Graphic Design at Arts University Bournemouth. At present she is Head of Design at a media company managing the design and production department.

london

These FE courses are accredited by the University of the Arts London Awarding Body, the only specialist art, design and creative industries awarding organisation in England.

## Entry requirements

**LEVEL 1** A successful interview. You will also need to complete an assessment for some courses.

**LEVEL 2** 2 GCSEs at grade D/3 or above. Level 1 functional skills English and maths.

**LEVEL 3** At least 4 GCSEs at grade A\*-C/9-4, a merit or distinction at Level 2 with functional skills in English and maths.

See our website **[west-thames.ac.uk](http://west-thames.ac.uk)** for specific course entry requirements.

# ANIMATION AND GAMES DESIGN

**Animators are in very high demand in the UK and can be employed in areas of the entertainment industry such as TV, film or video games.**

Their work involves creating 2D and 3D models of characters, props and scenery, using CGI software to add movement, and making sure that animation integrates seamlessly with dialogue and music.

---

## About our Animation and Games Design courses

This type of work requires both artistic talent and technical skills, which students will develop in our multimedia suites using industry standard software such as Maya, Mudbox, Unity, After Effects and Photoshop.

We believe that students need to be engaged in every aspect of this subject and foster imaginative skills to feed back into their design work – and the courses are also designed to be fun!

# MEDIA

From TV and film to the internet and radio, media is everywhere, both entertaining and influencing us. Employers in this field look for people who are enthusiastic, versatile and able to build relationships within a team.

Job roles can involve working on content or in administration, behind the scenes as a technician, director, researcher or producer, or in front of the camera as a broadcaster or radio presenter.

## About our Media courses

When you study on our courses you will use our TV studio with professional cameras and chroma key sound effects, sound recording studios with ProTools HD, Logic Pro and surround sound, digital video editing suites Final Cut Pro, audio/MIDI music production and multimedia suites.

You will perform and engineer live gigs, work on live briefs, get involved in our Creative Arts Festival, and gain exciting work placements so that you will be prepared to find employment in leading media and production companies around London.

## Careers/salary EXPECTATIONS

### Audio visual technician

Up to £35,000

### Radio Broadcast Assistant

Up to £29,000

### TV or film sound technician

Up to £35,000

## Student SUCCESS

### Dylan Curtis / Creative Media

Dylan studied Creative Media Production and graduated with a Higher National Diploma in Film and Television. Currently he has established his own freelance company that hire and work with other creatives to bring client visions and ideas to life.

# MUSIC

**The UK music industry is diverse and fast-moving and there are many opportunities for those with passion, talent and drive.**

The wide range of careers in music includes songwriting, live entertainment, music education or production, artist or tour management, promotion or music journalism. There's also a career to be made in composing music for films, TV and theatre.

## About our Music courses

At West Thames College you'll gain the skills you need in our well-equipped music technology production suites and recording studios, using the latest software such as Logic Pro X, Pro Tools and Reason.

You will go on industry visits to EMI and the Royal Opera House, and organise, engineer and perform in live gigs such as Oxjam and the Creative Arts Festival. Previous students have had successful careers as musicians or gone on to work for Sky, Kiss FM and Richmond Theatre.

## Careers/salary EXPECTATIONS

### Journalist

Up to £40,000

### Music promotions manager

Up to £65,000

### Music teacher

Up to £43,000

## Student SUCCESS

### Rodell Sorzano / Music

After studying dance at West Thames, Rodell won a Performing Arts scholarship to Leicester De Montford University. He is now a successful songwriter, musician and producer who has performed at carnivals including Notting Hill, and was the headline act at Soca Frenzy in London and the Labour Day Carnival in New York.

# HAIRDRESSING

**Hairdressing isn't just about working in a salon – if you have the talent and a good work ethic, hairdressing skills can take you around the world, behind the scenes at fashion shows or into careers in film, TV or theatre.**

## About our Hairdressing courses

Our courses have high success rates and are staffed by teachers with extensive professional experience. You will train in our professional hair salons, which are open to the public, so you can develop your customer service skills, as well as taking part in industry visits and exhibitions in the UK.

Our students have gained a lot of success and often win local and national competitions, as well as hosting WorldSkills UK competitions in our own salon. Links with L'Oreal ensure that students use the best products.

Our alumni have worked as hairstylists and wig dressers in West End shows, on TV, feature films, catwalk shows and advertising campaigns.

# BEAUTY THERAPY

No matter what your interests, there is a career path in beauty therapy to suit you. Teachers at West Thames College have professional industry experience and our beauty salons are open to the public, giving you opportunities to develop your client handling skills and master the latest treatments.

You will also develop skills in salon management, administration and retail, preparing you for a range of different job roles.

---

## About our Beauty Therapy courses

You will learn how to perform a range of professional beauty treatments in our modern, well equipped training salons within this exciting industry.

We have links with various employers and industry leaders such as Dermalogica, Fake Bake and MAC.

After leaving the College, students have become beauty therapists, spa therapists, makeup artists and cruise ship therapists, as well as opening their own salons.

## Careers/salary EXPECTATIONS

### Consultant

Up to £25,000

### Nail technician

Up to £25,000

## Student SUCCESS

# TRAVEL, TOURISM AND AVIATION

Our location close to Heathrow makes West Thames College the ideal place to study travel, tourism and aviation. Careers in this industry are varied: you might work at a theme park, heritage site or other visitor attractions, or in the aviation and rail sectors, accommodation services in hotels, hostels or holiday parks, organise outdoor activities or co-ordinate tours, to name just a few.

## About our Travel, Tourism and Aviation courses

We have close links with British Airways for work experience placements, workshops and guest speakers. Students visit the World Travel Market exhibition and have opportunities for trips to London tourist attractions, European cities, hotels and theme parks.

You will gain the specific skills and knowledge required for a career in this industry.

## Careers/salary EXPECTATIONS

# SUPPORTED LEARNING

**Our Supported Learning courses are designed for all abilities and will build confidence, independence, social and personal skills in a supportive environment.**

We have state-of-the-art equipment and purpose-built areas for learning. This includes a fully equipped kitchen and café, a beautiful large garden and horticulture area as well as business administration and art rooms. We also have a dedicated classroom and a sensory room for students with complex or profound disabilities.

## About our Supported Learning courses

Through our vocational curriculum, students study hospitality and catering and run our Bubble Café. They also study gardening and horticulture and business administration with enterprise.

Our students play football in the Surrey LDD league, and feature small class drama workshops. Courses benefit from small class sizes and students will take part in community events as well as a range of enrichment activities.

## Careers/salary EXPECTATIONS

Government agencies, other employment support organisations and schemes such as the Project SEARCH programme run by the college, provide work experience and help students enter into long term employment. West Thames College is itself a 'Disability Confident' employer.

This accreditation is awarded to employers who have committed to supporting disabled people.

Work experience is available at GlaxoSmithKline Brentford and the London Borough of Hounslow through Project SEARCH, a programme that has been recognised as one of the best of its kind in Europe.

# CONSTRUCTION & BUILDING TRADES

There is a huge range of career choices in the construction industry which can involve designing, planning and project management as well as hands-on practical work. Construction is about designing and building the environment around us, with a number of different organisations working together. So you could be employed by a large or small company, or even being your own boss as a self-employed tradesperson?

## About our Construction and Building Trades courses

Our specialist construction workshops at the Skills+Logistics Centre are equipped for all the trade skills: plumbing, carpentry, painting and decorating and electrical installation.

Our highly skilled tutors have experience in the building trades and you will work on live briefs and building projects. We have close links with local employers such as Telford Homes and Flannery, Volker Fitzpatrick, Ecoworld Homes (Nantly House), Countryside Homes and Engi.

# MOTOR VEHICLE

The motor industry is undergoing rapid change and sustainable growth in both public and private transportation and it's a great area to build a long-term career – whether in design, service, manufacturing or sales.

The government is committed to the UK becoming a world leader in electric and driverless technologies which means that there will be exciting opportunities for those with experience and skills in the motor vehicle industry.

## About our Motor Vehicle courses

Our fully functional garage workshop at the Skills+Logistics Centre has industry standard equipment, providing a realistic work environment.

We have amazing links with employers such as Trust Ford, Kwit Fit, AA, RAC, Halfords and Peugeot, as well as taking students on trips to Mercedes World and Land Rover.

Our courses are taught by highly experienced motor trade professionals and you'll get careers advice from guest speakers, ensuring that you have the skills and experience to progress to an apprenticeship, further qualifications or a job in the industry.

## Careers/salary EXPECTATIONS

**Mechanic**  
Up to £35,000

**Garage manager**  
Up to £36,000

**Car sales manager**  
Up to £70,000

## Student SUCCESS

**Ismail Hussein /  
Motor Vehicle**

Ismail completed his Motor Vehicle course and then progressed into work at Kwit Fit as a tyre fitter. During his time at the College he developed his confidence, as well as foundation skills in maintenance, that helped him become career-ready.

## Vehicle Systems Maintenance

1 year

## Light Vehicle Maintenance and Repair Principles

1 year

## Introduction to Electric and Hybrid Vehicles

1 year part-time

## Course progression at West Thames

Take an apprenticeship or progress to an appropriate course at a higher level.

# NEXT STEPS

# After your course you will be ready to go onto university, find a job or start an apprenticeship.

## So why stay with us?

- 🏠 A higher level qualification will improve your chance to progress in the competitive jobs market.
- 🏠 Our Higher Education courses are designed to give you practical skills, delivered by professional lecturers with industry experience. You will receive a high ratio of direct teaching time so that by the end of your studies you will be ready for the job market.
- 🏠 Our friendly staff will continue to give you all the support you need throughout your course.
- 🏠 With a two year course you'll only have to pay two years' tuition fees. You will then have the option to progress to the second or final year of a degree course or finding a job of your choice.
